

1. Tenant shall submit one (1) set of drawings and specifications for all proposed exterior signage to Landlord for approval.
2. All exterior signage is required to conform to City of Delano ordinances. No sign or structure shall be erected, constructed, rebuilt, or relocated until a permit has been issued by the City of Delano. It is Tenant's responsibility to obtain approvals and permits as required by the City of Delano. Tenant is responsible for the cost of permit(s). Landlord must approve all drawings prior to City submittal.
3. All tenant spaces are required to be identified by signage.
4. All exterior signage must be professionally constructed and installed.
5. All exterior signage should be constructed of individual internally illuminated letters. Cabinet style and/or panel wall signs, reader boards, and electronic display signs are not permitted.
6. All exterior signage shall have a transparent sign face. No exposed neon, ballast boxes or transformers are allowed.
7. The wording of exterior signage shall be limited to the store name only and such name shall not include any product or items sold therein.
8. All exterior signage must be mounted to aluminum raceways. Raceways cannot exceed 12-inches in height. Raceways and any exposed electrical conduit and/or junction boxes must be painted to match the appropriate building exterior. Tenant's sign vendor is required to color-match on site for accuracy.
9. Tenant exterior signage should be centered on the sign band of each tenant space.
10. Tenant exterior signage shall not extend above the roof line of any building.
11. Tenants will be allowed a total of one (1) exterior sign. The sign will be installed on the front/main entrance of the building exterior.
12. Wall signs shall be limited to 15% of Tenant's facade building area with a maximum square footage of 100 SF per tenant. Letters and logo height for tenant signs (including: corporate shields and crests) shall not exceed 36-inches in overall height. Two (2) lines of stacked copy will be allowed with a total height of 36-inches.
13. Wall sign length shall be determined by centering in lease space frontage area, holding back a minimum of 2-feet from lease line on each side for 20-foot frontage, 3-feet for 30-foot frontage & 4-feet for tenant frontage over 40-feet

Example: 40-foot wide tenant space could have a 32-foot maximum sign length.
 20-foot wide tenant space could have a 16-foot maximum sign length.

14. All storefront signage shall be installed no later than 60-days following the lease Commencement Date. In the event storefront signage has not been installed, Landlord reserves the right to install a sign on Tenant's behalf. The cost of such sign will be at Tenant's sole cost and expense.
15. Electrical power will be brought into each tenant space. It is Tenant's responsibility to arrange for their sign(s) to be hooked-up. Tenant may be required to hire an electrician to complete this work as electrical hook-up is not performed by most sign companies.
16. A photo-cell may be used to regulate sign usage, which must be located and installed on the sign or adjacent to it on the building facade. The photo-cell, if used, must run through a "relay" that is connected to the sign for efficiency purposes, and any exposed electrical wires associated with the photo-cell must be painted to match the building exterior. In the event a photo-cell is not installed, Tenant will be required to illuminate all signage twenty-four (24) hours a day, seven (7) days a week. Timers may not be used in place of photo-cells.
17. Upon removal or alteration of Tenant's or prior occupant's exterior signage for any reason, Tenant shall be responsible for all costs associated with the repair, re-skimming and/or replacement of the building facade where the exterior signage was attached. Upon vacation of the Premises or lease expiration or earlier termination, Tenant will be required to remove all exterior signage from the Premises and cap electrical conduits to code below surface level at Tenant's cost. Landlord will contact Tenant at least forty-five (45) days prior to lease expiration, earlier termination, or upon Tenant's notice of removal, with an estimated cost of building facade repair work, and such cost will be added to Tenant's rental account, which must be paid in full to Landlord within thirty (30) days of demand or prior to lease expiration, whichever occurs first.
18. The following types of exterior signage and/or sign components are prohibited:
 - A. Roof Signs
Signs erected, constructed, attached wholly, or in part, upon the cover or roof of any building or parapet.
 - B. Motion Signs
Any sign which revolves, rotates, scrolls, is animated, has moving parts, or gives the illusion of motion.
 - C. Portable Signs
A sign designed as to be movable from one location to another, and which is not permanently attached to the building exterior.
 - D. Search Lights
Except in conjunction with grand openings.
 - E. Reader Boards
Electronic or manual.

F. Banners

Except in conjunction with grand openings for new tenants or newly remodeled tenants. Banners that contain the business name may be used until a permanent sign is installed. All banners must be professionally created and must be approved by the Property Manager of the Project prior to installation.

G. Miscellaneous

- Air inflated devices
- Paper signs
- Pennants
- Stickers
- Whirling devices
- Any other miscellaneous device resembling the above items

H. Wall Signs Employing the Following:

- Moving, blinking, or flashing light
- Exposed ballast boxes, or transformers
- Sign manufacturers name, stamps, or decals
- Painted/non-illuminated letters
- Un-edged plastic letters, letters with exposed fastenings, or letters without returns

19. The foregoing exterior signage criteria and regulations remain subject to modifications as Landlord may deem proper in its sole and reasonable judgment, which modifications, if any, shall become binding upon each tenant in the Project upon their notification of the same.
